Confirmation of Minutes

The minutes were confirmed by Danique Hayden and seconded by Carol Jumpp-Graham.

Constitution

Articles 4 and 5 of the constitution was read by Danique Hayden. Queries relating to Article 5, section 2 were raised:

- (a) states that the application for membership must be signed by the applicant. However, if application is done online persons will not be able to sign the form. President Archat suggested that we should use both the online and the physical form for the time being.
- (b) Line 1—'shall' to be changed to 'may' and 'or via online submission' to be added.
- (c) Raquel Peete wanted to know how the association would know if a member has committed an offence. The matter was discussed and it was agreed that this section should be re-worded.
- (f) Ms. Hayden had concerns about home address rather than an e-mail address.

Election

Carol Harris asked about Article 7 which deals with election but the president suggested that it be left for the next meeting. Ms. Hayden voiced concerns about the time span to prepare for the election especially since electronic voting is being considered. Mr. Archat suggested that we use both physical and electronic voting.

Carol Jumpp-Graham suggested that some training be carried out for persons who are not technologically savvy. Ms. Hayden agreed and said she would liaise with Mrs. Jumpp-Graham on the matter.

Mosaic Project

President Archat suggested that the association spearhead the repairs needed to the gully behind Harbour Drive. Mrs. Holness had advised that the project would be tied into the highway project but Mr. Archat said that project was already short of funding so it seems unlikely that they would have the funds needed to correct the Mosaic project. He said if we sought assistance from Coast to Coast and Cement Company we would be able to undertake the project ourselves. The proposal is for these companies to provide finance as well as expertise in completing the project. JET would also be contacted to provide expertise assistance and minister Paulwell had committed \$2 million towards the project. Mr. Archat said a meeting would be convened with the residents of Harbour Drive after approval had been received from the relevant companies. Some residents of Harbour Drive felt that the meeting with the residents should take place prior to seeking outside assistance. A lengthy discussion ensued with both Mr. Archat and the Harbour Drive Residents both insisting that their way was the better option. No resolution was arrived at.

Christmas Dinner for the Elderly

The dinner was a success despite the fact that we could not meet due to Covid-19. Thank you to the following persons who contributed cash or items.

Roberts Meat Mart/ Sandra Hall	Chicken
Spanish Grain/Carol Harris	Macaroni and Coconut Milk
Paul Ximines	Mayonnaise and Macaroni
Novlet Ralph	Fish/goat and Salad
Elaine Edwards/Lorna Harris	Fruit Cakes
Kiwanis Club	Rice
